Here is an overview of what we discussed at the meeting.

**What we are learning about:**
- Literacy
- Maths: Number, 2D and 3D space, length and area, chance
- HSIE: Families past and present
- Science: Water
- Anti-bullying and Cyber Safety
- Hotshots Tennis
- Creative Arts
- Genius Time: Students can choose their own topic to research and present to the class.

**Homework**
- Reading at least one home reader every night.

Weebly Website: activities and spelling words that students can practise at home if they want
http://12rmops.weebly.com

**Home Reader Volunteers**
We need some volunteers to change the home readers on Tuesdays and Wednesdays. Anytime that suits you. Let me know if you are interested!

**School Fete Volunteers**
Volunteers for 1/2R’s Plaster Mould Stall
Saturday, 14th March 2-6pm
Email me if you would like to help out at some point during the day, or there is a sign up sheet outside our classroom.
