

Dignity & Respect at Mount Ousley Public School

Here at MOPS we:

- speak appropriately to others at all times;
- are polite to others;
- use good manners;
- show tolerance and respect for others and their opinions;
- accept others as equals;
- are considerate of others;
- accept responsibility for our own behaviour; and
- treat others in the way we'd like to be treated ourselves.

These are our standards of behaviour for all children and adults at this school.
Thank you for respecting our code.
