ANTI-BULLYING POLICY

RATIONALE
At Mount Ousley Public School we value, respect and show tolerance of others in a safe and supportive environment. We foster positive relationships through strong welfare programs. Our school’s Welfare and Discipline Policy is complemented by our Anti-Bullying Policy, which aims to deal effectively with, and prevent bullying incidents through a zero tolerance approach to bullying.

OUR DEFINITION OF BULLYING

- Spitting at others
- Intimidation or making someone do something against their will

- Swearing at others
- Sarcasm
- Ridicule & put downs of another person because of their actions, appearance, physical characteristics or cultural background

- Excluding or ignoring others
- Ostracising & alienating
- Making inappropriate gestures

Psychological:

CONSEQUENCES
When a bullying incident is reported or observed, the staff will:
- Have discussions with the students involved
- Report to parents any significant bullying incidents
- Take appropriate action e.g. time out in the classroom
- Consider lunchtime detention
- Consider withdrawal of privileges e.g. school representation at sporting or other events
- Consider suspension as a last resort
COPING STRATEGIES
Strategies for students to deal with bullying will be regularly reviewed in class and include the following:

- Stay in sight of peers and adults
- Try to stay calm
- Practise keeping calm and walking away
- Try to show you are not upset (practise this)
- Look at the person, try to speak in a strong voice and say something like, “You might think that, but I don’t” or “It’s not very nice to say/do that”
- Use an “I” message to express your feelings in an assertive way e.g. “I want you to stop” or “Please don’t do that, I don’t like it”, or “I don’t think that what you are saying/doing is very nice”
- Use humour if appropriate
- Walk away quietly without looking back
- Go to a safe place e.g. with other children or near a teacher
- Talk to a buddy
- Talk to an adult who can help and tell them what has happened, how you feel and what they can do to help (this is not dobbing; it is called reporting and there is a difference)
